Subject: REACH, RoHS, POPS, BIOCIDES

Ladies and Gentlemen,

We hereby confirm that our products are free from substances of very high concern (REACH-SVHC, <https://echa.europa.eu/de/candidate-list-table>) in concentrations >0.1%. This includes the three substances newly added to the SVHC Candidate List on June 25th 2025 and the one added on November 5th 2025.

If the concentration of such substances is >0.1%, this information can be found in the corresponding safety data sheet according to 1907/2006 under point 3.

Furthermore the mentioned products are in accordance with directive 2011/65/EU, 2019/1021/EU and 528/2012/EU.

All information is based on the data of our raw material suppliers.

Alpignano, 9 dicembre 2025
