TECNO SRL
Via dei Ronchi 51/C
10091 Alpignano (TO)
Italy

Date: 15.04.2026

Subject: REACH, RoHS, POPS, BIOCIDES

Ladies and Gentlemen,

We hereby confirm that our products are free from substances of very high concern (REACH-SVHC, <https://echa.europa.eu/de/candidate-list-table>) in concentrations >0.1%. This includes the substances newly added to the SVHC Candidate List on the last update of February 4th 2026.

If the concentration of such substances is >0.1%, this information can be found in the corresponding safety data sheet according to 1907/2006 under point 3.

Furthermore the mentioned products are in accordance with directive 2011/65/EU, 2019/1021/EU and 528/2012/EU.

All information is based on the data of our raw material suppliers.

Alpignano, 15 aprile 2026

Risk manager, Rebecca Pace
